LMA has a flood response plan in the office. It is recommended that the LMA and interested local volunteers take a flood fight training class in order to refresh their flood fight skills and methods.

S3 : Repair the levee slope damaged by vehicle traffic and prevent access where possible.					
Inspector Comment					
Waterside slope has rills/ruts caused by pedestrian and motorcycle traffic. The LMA is working with land owner to restrict access. Recommend slope be graded and restored to design standards.
